

four element profile®

2-Day Elements Workshop

NEW and revolutionary profile-setting method which combines the classical & the spiritual outlook - a precise, easy & intuitive method that you will never forget!

On our 2-day workshop you will learn

- to understand other people in an easy and intuitive way
- to understand the 4 elements, yourself & others better and to understand why different types of people act and express themselves as they do
- to communicate with other people's elements so you become more effective in your communication and avoid misunderstandings
- to read people's strengths and weaknesses in their face, body, movements, appearance, speech & behavior
- to understand what job profiles, areas & businesses suit you best
- to understand which people you work well with and why your circle looks like it does
- to be more inclusive as a person both at work & in private

Once you have learned this, you will never forget it!
